

MARITAL ENRICHMENT

JANUARY 28, 2012 (9AM—12 Noon)
St. Gregorios Orthodox Church
175 Cherry Lane, Floral Park, NY 11001

Marriage is a mystery. Marriage is a sacrament and therefore is holy. Through Holy Matrimony the husband and wife begin an eternal life of joy with God in His Kingdom.

The marital enrichment seminars offered through FOCUS will help to strengthen the marriages of newly married couples and prepare singles for the mystery of marriage.

FOCUS is the Young Adult Ministry of North East American Diocese. FOCUS (Federation of Orthodox Christians in United States) seeks to strengthen the spiritual lives of young adult believers in the Diocese.
