

LITURGICAL RESOURCE DEVELOPMENT

Greetings!

With all Glory to God, the Ministry of Liturgical Resource Development is delighted to announce the release of the Shehimo (Book of Common Prayer). The Shehimo was inaugurated at the Diocese of South-West America's Clergy Conference on April 22nd which was held in Atlanta, GA.

The Shehimo will be made available to all faithful parishioners in North America by July 2016.

Starting on Sunday, May 22nd, LRD will open pre-orders for **parishes only**, and will close on June 29th (End of the Apostles Fast). The cost of each book is \$10, plus shipping.

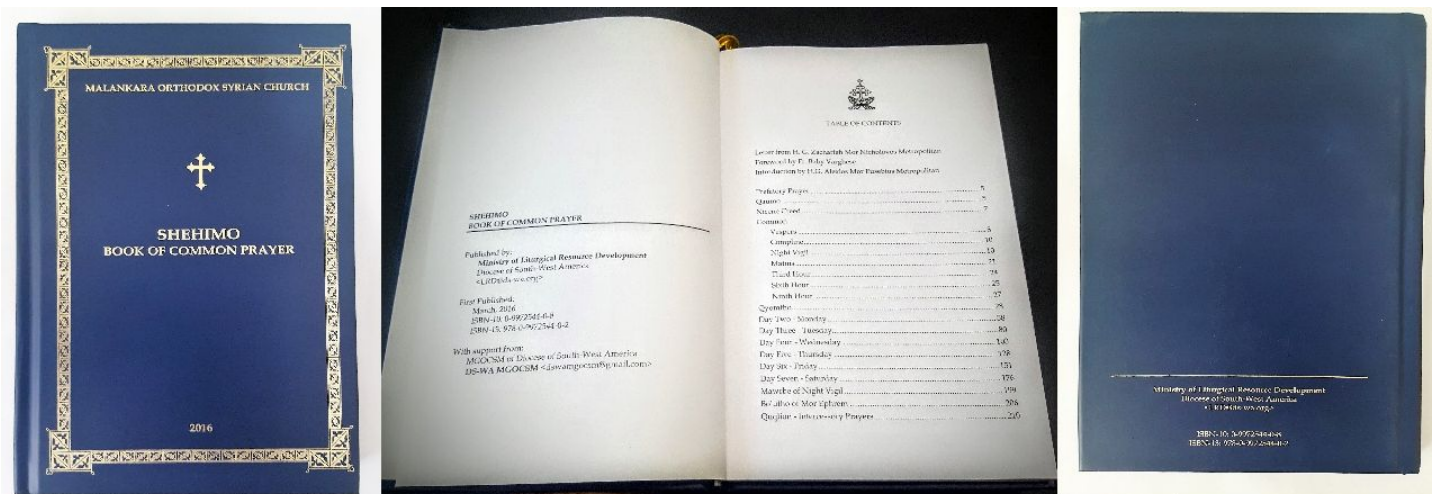

We encourage and ask all the Faithful parishioners that are interested in purchasing the Shehimo Prayer Books to coordinate with the priest & secretary of their respective parish.

Once the pre-order closes on June 29th, the sale of the Shehimo Prayer Books will move to Amazon, which will be made available for anyone to order. Please note that the price of each book will increase to account for Amazon fees.

We take this time to thank both Metropolitans of the American dioceses, His Grace Zachariah Mar Nicholovos and His Grace Alexios Mar Eusebius, and to those individuals that have spent countless hours who have worked tirelessly to translate, versify and format the Shehimo Prayer Book. We also thank the Faithful Parishioners for their continued support, and prayers that made this happen.
