Blessings to the Vicar, office-bearers and members of all the parishes in the Northeast American Diocese, especially the school going and college going children.

Dearly beloved,

God loves you and cares for you. On the occasion of the opening of the schools and colleges may we assure you once again our concern for your welfare and progress. Your future depends mainly on your success in your studies, whatever be your choice. Only those who are well-equipped can contribute maximum good to the society. Only those who work hard and steadily can have real work satisfaction. Your parents and all well-wishers are praying for you. Solomon the wise says, "Whatever your hand finds to do, do it with your might". (Eccl. 9:10)

"Do your best, your very best
And do it every day.
Little boys and little girls
That is the wisest way.
For if you do your best
Your best will better grow
But if you slight your daily task
You will let the better go"

With prayers and best wishes

Yours in our Lord,
